

## **INVESTMENT OPPORTUNITY IN FOOD PROCESSING**

### **UNIT AT KOZHIKODE, KERALA**

An existing ISO, HACCP & BIS Certified Food Manufacturing unit in the field of baby food products in Kozhikode district in Kerala is looking for investors for active management participation for improving business and market share. The expected investment is around ₹5.00 crores for complete change of management or an amount not less than ₹100 lakhs, as strategic investment or to co-promote.

The unit is M/s.B-VIVE India Products, located at Chalam in Kozhikode district. The firm was started in 1999 and has created a Brand Name B-VIVE. The firm is proposed to be converted to a private limited company.

Natural Baby Food, Banana Powder and Indian Barley Powder are the products at present. Various fruit powders, health supplements, protein powder, flavoured oats, glucose powder etc. are proposed to be added to the product range. All types of machinery required for the production are installed and supported by QC Lab consisting Microbiology and Chemistry lab. More details can be seen at [www.bvive.com](http://www.bvive.com), [www.bviveindia.com](http://www.bviveindia.com)
