(I) Particulars of the organization, functions and duties

Kerala State Industrial development Corporation Ltd. is a company wholly owned by Govt, of Kerala, set up in 1961 under the Companies Act 1956, for the promotion and development of medium and large scale units in the state.

KSIDC constitutes a group of professionals from various fields including engineering, management, finance, and law. KSIDC processes and recommends to government, applications for sanction of incentives such as sales tax exemption and subsidy in respect of units assisted by it. We advise the state government on key facets of the state's industrial policy and organize promotional campaigns.

Thus KSIDC is one of the agencies in the State;

For industrial development and promotion; a company fully owned by the Government of Kerala.

Formed with the objective of promoting, stimulating, financing and facilitating the development of medium and large scale industries in Kerala.

Kerala Venture Capital Fund Private Limited (KVCF) was promoted by KSIDC, in association with Kerala Financial Corporation (KFC) and Small Industries Development Bank of India (SIDBI). It is dedicated to investing in higher end sectors like Information Technology and Biotechnology.

We provide financial and promotional assistance like investment in share capital and loans, escort services to entrepreneurs in identifying suitable land and other infrastructure, and providing Single Window Clearance for speeding up statutory clearances to the assisted units. We also conceive investment ideas, prepare project profiles, identify investors and give necessary financial and promotional support. Assistance is generally provided to companies and for Projects which fall in the medium/ large category, as small scale units/ proprietary and partnership concerns can avail assistance from KFC.

We also do the liaison work on behalf of Government of Kerala for Mega projects in the State with Central Government and other Central and State government departments/ undertakings to facilitate investments in the state. We also conduct/ participate in road

shows and seminars to promote Kerala as an investment destination.

Functions:

KSIDC, as facilitator and financier for industries, offers wide ranging assistance in industrial promotion. The key areas of our focus include:

- Identification of Investment Ideas
- Translating Ideas into Concrete Proposals
- Feasibility Study, Project Evaluation
- Financial Structuring, Loan Syndication
- Assisting in Central and State Govt. Clearances
- Development and Administration of Growth Centers

The Registered Office of the Corporation is at Trivandrum and there is a Regional Office functioning from Cochin.

Allied Supporting Services:

In addition to the primary support provided to entrepreneurs, KSIDC extends a whole range of pro-investor services, which include:

Single window Clearance System

KSIDC has been designated as the Nodal Agency for facilitating all governmental clearances at state level for medium and large-scale industries.

Venture Capital Financing

In a bid to encourage entrepreneurship in IT, Biotechnology and allied sectors, KSIDC in association with SIDBI and KFC has established Venture Capital Fund with a corpus of Rs.20 crores.

Sales Tax Exemption Eligibility Certificate

The Corporation also recommends issue of eligibility certificate for Sales Tax Exemption for medium and large-scale industries as per the scheme in force from time to time. The final exemption certificate has however to be obtained from the Sales Tax Dept.

Other Activities:

Growth Centres

Industrial Parks with built up infrastructure, to take the form of mini industrial townships, are under construction across the state. Growth Centres of KSIDC are located at Kannur, Malappuram, Kozhikode and Alappuzha. Built up infrastructure in these centers include Standard factory modules, power & water connections, transportation & communication facilities, etc.

(II) Powers and duties of Officers & Employees of KSIDC

KSIDC being a company, the highest authority in the company is its Board of Directors, and being a Government company all the directors are nominated by Govt of Kerala.

The Board of Directors constitute the Chairman, Managing Director, Principal Secretary (Industries), Principal Secretary (Finance), Secretary (I&P), Secretary (Labour & Rehabilitation), Chairman of Kerala State Electricity Board, MD of KINFRA, MD of InKEL, renowned industrialists, and experts in the matter of Industrial financing etc appointed by state government from time to time. Details regarding the present BOD of KSIDC are available in the website.

Powers of the Board:

The Board of KSIDC exercises all the powers that the Board of a company does, subject to the restrictions in the Articles of Association, which lays down that certain powers are to be exercised only with the approval of Government. There is also a clause in the Articles of Association that Govt, will have the power to give directions to the Board. The main

restriction in the power of the Board is that all capital expenditure above Rs.20 crores (including sanction of financial assistance above Rs.20 crores) is subject to approval of Govt.

Executive Committee:

The Board has delegated certain powers to a sub committee which is called the Executive Committee and it consists of Chairman, Managing Director, Principal Secretary (Industries) & Principal Secretary (Finance). The EC meets as and when required, based on the number of applications for financial assistance received from companies

The powers of the Executive Committee include sanction of loans upto Rs.10 crores, reschedulement of loans, arriving at OTS which does not involve waiver of any principal etc. All decisions for sanction of assistance exceeding Rs.10 crores, assistance by way of share capital and OTS involving waiver of any principal amount vests with the Board. As far as routine day-to-day functions and other administrative matters are concerned, MD is the final authority.

Powers of the Managing Director:

The decisions taken by the Board and the Executive Committee are implemented by the Managing Director who has the powers of management of the unit and looks after the routine day-to-day functions and other administrative matters.

Powers of Officers:

There are no powers given to individual officers except recommendatory powers in the investment decision and also different hierarchy of officers are maintained like Executive Director, General Managers, Dy.General Managers, Assistant General Managers, Managers, Deputy Managers, Assistant Managers, etc in different functional areas like Project Appraisal, Disbursement and Recovery, Project Development Cell, Investment Promotion Cell, Financing & Accounting, Consultancy, Legal and Administrative department for managing day to day affairs of the functional areas. Other employees are there for assisting the officers in the concerned departments.

The duties of officers are conducting techno economic feasibility/ appraisal of projects seeking financial assistance from the Corporation and to recommend to the Executive Committee/ Board of Directors sanction of financial assistance, and also carry out promotional activities for bringing new investments to the State. Once the financial

assistance is sanctioned by the Executive Committee / Board for the project, necessary documentation is done by the legal department and the loan assistance is disbursed to the assisted units at different times of implementation of the project.

The duties also include monitoring the timely implementation of projects and monitoring of the project during operations till the loan amount is recovered fully by the Corporation. Routine inspections are conducted by the officers of the assisted units and books of accounts/ records and other physical progress of the project are checked at regular intervals. The details of the loan accounts of the all units assisted by the Corporation are maintained in a computerized manner by the Finance & Accounts Department and repayment notices of principal and interest to the assisted units are sent at regular intervals and project officers follow up the repayments. Regular review meetings are conducted with the assisted units to know their problems and to take remedial measures to overcome the problems.

There is a separate department for Industrial and Investment Promotion (I&IP) of the Corporation, which takes care of the promotional activities like conceptualization of the project ideas, preparations of project profiles, identification of suitable entrepreneurs to start the project, conducting seminars and road shows, liaisoning with the government departments for the promotion of industries in the State, presenting investment subsidy and sales tax exemption eligibility applications of units in the state level committees, and other promotional activities.

(III) Procedure followed in the decision making process, including channels of supervision and accountability

When an application for the financial assistance is received from a company initially the application is scrutinized by the project officers to assess whether the unit is eligible for financial assistance by analyzing factors like promoters background/resources, past history and business credentials, bank reference etc. Once these are obtained and after making sure that the project comes under our preview for financial assistance, then detailed information of the project like project reports, market feasibility reports etc are called from the company and a detailed techno economic appraisal is done jointly by the technical and financial experts to know the techno economic feasibility of the project and appraisal note is prepared by officers and submitted to the concerned department Manager who in turn will recheck the appraisal note and submit to Executive Director who is in

charge of the all project financial sanctions. The Executive Director after scrutiny submits the appraisal note to the screening committee for initial screening, after which the Managing Director approves placing the proposal to the Executive Committee/Board.

(IV) Norms set by the Corporation for the discharge of its functions

Financial assistance and support is generally limited to medium and large scale industries including service sectors like tourism industries, star category hotels, resorts, financial services etc, and where the constitution of assisted unit is in the nature of Private/ Public Ltd Company. Usually assistance is extended to projects with an investment of Rs.200 Lakh and above and our term loan assistance is limited to a maximum of Rs.2000 Lakh in a project and it can go up further in a single project with State Government's permission. Usually the definition of the medium and large scale manufacturing industries as defined by the Central Government is applicable to Corporation also.

The other norms followed by the Corporation for financial assistance of the projects are given in the table below:

Debt Equity Ratio	(a) a. 1:1 up to 1.5:1 for new companies with minimum/no track record. b. 1.5:1 up to 2:1 for expansion of good assisted units & other good non-assisted units.
Term Loans	Up to Rs. 35 Crore can be sanctioned. No cap for term loan under direct financing. However loan exceeding Rs. 35 Crore is subject to approval by State Govt. The minimum amount considered for assistance is Rs.1 Crore except in case of expansion proposals of assisted units, where the minimum limit would be Rs. 50 lakhs.
Short Term Loan	May be considered for assisted units on a selective basis.
Repayment	Repayment period is 6–8 years with a moratorium of 2–3 years, on a selective basis.
Interest Rate	Based on a sliding scale with interest band ranging from 11.00 – 13.00%. Further, a further reduction of maximum up to 1% will be granted at the end of every financial year by reversal of the interest charged, provided there are no arrears of interest as on 31st March of the relevant particular year. The reduction in interest as above shall be calculated on the outstanding principal alone and there shall be no reversal of penal interest portion.
Working capital term loan	May be considered for units with good performance track record. For the purposes of determining good performance track record, the following parameters are considered. <ol style="list-style-type: none"> 1. The company has made cash profits during the preceding five years 2. The company has made net profits during the preceding three years 3. There are no overdues to financial institutions/ banks and 4. There has been turnover growth during the previous three years.

In addition to the above, the project should be financially and technically viable with satisfactory financial indices like Internal Rate of Return (IRR), Debt Service Coverage Ratio (DSCR), pay back period etc, and the promoter directors should execute personal guarantees with the Corporation for the timely repayment of the financial assistance sought. The Thrust sectors as mentioned above comprise Tourism, Hospitals & Infrastructure projects.

(V) The rules, regulations, instructions, manuals and records, held by it or under its control or used by its employees for discharging its functions

There is a printed manual of staff rules and regulations which gives general conditions of the service with definitions of terms, conduct, discipline and appeals of the staff, and other rules and regulations for the administrative purposes.

There is a manual for appraisal, disbursement and recovery of financial assistance for the projects supported by the Corporation which gives detailed guidelines and the procedures to be adopted by the project officers for processing of loan applications, procedure for conducting techno economic feasibility studies, documents to be collected from the loanee companies, procedures to be followed for disbursement of loans, procedure for monitoring implementation and operation of units etc. This is the guideline adopted by officers for discharging their duties.

Coercive actions are initiated against the defaulting companies as per the rules contained in the provisions of law. In addition to this, Nominee Directors will be appointed on the board of assisted units (wherever it is felt necessary) to monitor the performance of the units and to give necessary feed back to the Corporation regarding their performance.

A manual has been published by state government industries department giving the procedures and guidelines to be followed for processing of state investment subsidy application of our assisted units.

(VI) Statement of documents held by KSIDC or under its control

The Corporation maintains all documents required to be maintained by various statutes. The Corporation also maintains various other documents and registers for its smooth functioning, as prescribed by the Registrar of Companies (ROC).

They are of two categories i.e. documents relating to the functioning of an organization which does not concern outsiders i.e. attendance register, personal records, log book of cars, staff loan register etc.

Secondly those relating to transactions with its customers or clients of which the most important are:

- a) Loan ledger is maintained which is computerized and contains the details of the prevailing loans extended by the corporation with details like name of company, loan code of the company, interest rate applicable for the loan, date of sanction, date of disbursement, repayment schedule, etc.
- b) Equitable mortgage registers giving details of securities for term loan.

(VII) Particulars of any arrangement that exists for consultation with, or representation by the members of the public in relation to the formulation of its policy or implementation thereof

The Corporation is under the Department of Industries, Government of Kerala. The Corporation generally follows the Industrial Policy announced by the state government from time to time. The policy is framed by the elected representatives of legislature with the objective of Industrial growth in the State and creation of employment. Further the Board of Directors contain representatives from industry who are the customers/beneficiaries of the performance of KSIDC.

(VIM) Statement of the Boards, Councils, Committees and other bodies consisting of two or more persons constituted as its part for the purpose of its advice and as to whether meetings of those boards, councils, committees and other bodies are open to public or the minutes of such meetings are accessible for public

There are no bodies constituted for the purpose of advice to KSIDC, but only decision making bodies like the Board of Directors and Executive Committee of Directors mentioned above. In terms of the provisions of the Companies Act, they are accessible to the Board members and the shareholders (in this case Government) only.

(IX) The directory of Officers & Employees of KSIDC

Names and designations of the officers and employees of KSIDC are given as Annexure: 1.

(X) Monthly remuneration of Officers & Employees of KSIDC
