

**PROFORMA**

**DETAILS TO BE FURNISHED BY, THE APPLICANT FOR APPLICATIONS RECEIVED  
UNDER SINGLE WINDOW CLEARANCE SYSTEM**

1. Name of Applicant :
2. Name of Factory :
3. Full Postal address :
4. Details of Land :
  - (a) Survey number :
  - (b) Re Survey No (If any) :
  - (c) Revenue Village :
  - (d) Revenue Taluk :
  - (e) Revenue District :
  - (f) Panchayath/Municipality/  
Corporation :
  - (g) Door number (If building  
exists) :
  - (h) Nature of land : Wet/Dry/Environmentally Sensitive
5. Distance of Factory from
  - (a) Railway station :
  - (b) National highway (From the  
Nearest Km.Stone specify  
Km.Stone) :
  - (d) Main traffic routes(to be  
Specified) :
6. Access to Factory (Tick in box as applicable)  

(a) Existing	(b) Proposed
--------------	--------------

Access : Public /Private

(a) Public	(b) Private
------------	-------------

Width of Access
7. Whether the Factory is :  

(a) Proposed	(a) Existing	(a) Expansion
--------------	--------------	---------------

  - i. If already in existence:-
  - ii. Building permit No.with date of  
permit :
  - iii. Installation License No& date. :
8. Area details :
  - (a) Area of Plot \_\_\_\_\_A\_\_\_\_\_M2
  - (b) Built up Area Existing : \_\_\_\_\_M2  
Proposed : \_\_\_\_\_M2  
Total : \_\_\_\_\_M2
  - (c) No of floors :

9. Set backs provided for factory from Plot Boundary

(a) Front		(a) Rear	
(c) Side 1		(a) Side 2	

10. Open space provided for factory in the plot :

(a) Front		(b) Rear	
(a) Side 1		(b) Side 2	

11. Nature of Industry

Based on KMBR 99 Provisions : G1/G2/I1/I2

Based on pollution : (a) Nuisance/Non Nuisance Type

\*If comes under nuisance type industry, specify whether major/ minor

Nuisance type

12. No. of people employed or to be employed :

13. Power used :

(a) Type (Diesel or Electric) :

(b) Installed capacity :

(c) Proposal for augmentation (if any) :

14. Factory products :

(a) Raw material, source and distance to location :

(b) Finished products(-----to markets) :

(c) Average monthly production :

15. Manufacturing process :

(give processing details and flow diagram. Separate paper may be

Used if necessary) :

16. Industrial wastes (Specify):- :

(a) Solid waste (Specify) :

(b) Liquid effluents (specify) :

(c) Smoke/Gas/Dust wastes (specify) :

17. Method of waste disposal :

18. Water supply to factory :

(a) Drinking water supply :

(b) Industrial :

19. Drainage:- :

(a) Surface and storm water drainage :

(b) Sanitary facilities :

20. Name and address of the applicant for communications :

21. Ownership details of land:- :

(a) Document date of Reg. Office of Reg. :

(b) Ownership details of Building :
