Global Expression of Interest

(EOI)

**from Companies / firms to set up Pharmaceutical Formulation & Invitro Diagnostic
Medical Devices Units in the Life Sciences Park, Trivandrum**

July 2021

Kerala State Industrial Development Corporation Limited
(A Public Sector Undertaking of Government of Kerala)

1. Introduction

Kerala State Industrial Development Corporation Limited (KSIDC) is the premier Government agency mandated for the industrial and investment promotion in the state of Kerala. As a nodal agency for foreign and domestic investments in Kerala, KSIDC facilitates clearances, approvals and processes various incentive schemes for starting new business ventures in the state. KSIDC evaluates the technical feasibility and financial viability of projects and assists in financial structuring , hand holding and obtaining approvals through Single window clearance mechanism. KSIDC also acts as the State agency for the facilitation /implementation of select mega initiatives.

KSIDC, on behalf of the Government of Kerala, has set up Kerala's first Life Sciences Park at Thonnakkal, Trivandrum, with an aim to create right environment & support infrastructure needed for the companies in Life Sciences domain. The Park aims to create an enabling ecosystem for the Life Science sector encompassing agri-biotechnology, marine biotechnology, bioinformatics, biosimilars, biomedical devices, biopharmaceuticals etc. The park envisages to be positioned as a hub for manufacturing as well as a Knowledge Centre of Life Sciences industries, research institutions and sci-tech academia etc.

An extent of 156 acres of land has already been acquired for the project and developed land is readily available for allotments with all support infrastructure facilities such as Internal roads, power and water. Some of the projects that are functioning at the park are Institute of Advanced Virology established by Kerala State Council for Science & Technology and Research cum Learning Centre set up by Kerala Veterinary Sciences & Animal Sciences University. The Life Sciences Park will also house the Medical Devices Park being implemented with the support of Sri Chitra Tirunal Institute of Science & Technology wherein common infrastructure facilities like incubation centre, medical devices testing & evaluation, animal house etc. will be created to facilitate innovations in Medical Devices particularly medical implants.

2. Objective of the call for Expression of Interest

Considering the current situation on account of the pandemic, Government of Kerala has decided to give priority to pharmaceutical formulations and invitro diagnostic medical devices by encouraging manufacturing facilities thereby promoting investments in the health sector.

As part of the Atma Nirbhar Strategy, Department of Pharmaceuticals, Ministry of Chemicals & Fertilizers, GoI, have recently launched a Production Linked Incentive (PLI) for the Pharmaceutical and invitro diagnostic medical devices units. The scheme provides disbursal of financial incentives to the tune of Rs. 15,000 crs over a period of 6 years amongst three categories of eligible products including pharmaceutical goods and in vitro diagnostic medical devices.

More details of the scheme including the eligibility criteria are available in the website of Department of Pharmaceuticals <https://pharmaceuticals.gov.in>.

The last date for submitting the application to Govt of India is 31.07.2021.

In this context, an Expression of Interest (EoI) is invited seeking investment proposals from companies/firms dealing in formulations and in vitro diagnostic medical device to establish units in the Life Sciences Park at Trivandrum.

3. Expression of Interest

This is an invitation for Global Expression of Interest (EOI) and not a Tender. Parties interested in the project are required to submit their Expression of Interest along with the Annexure 1.
